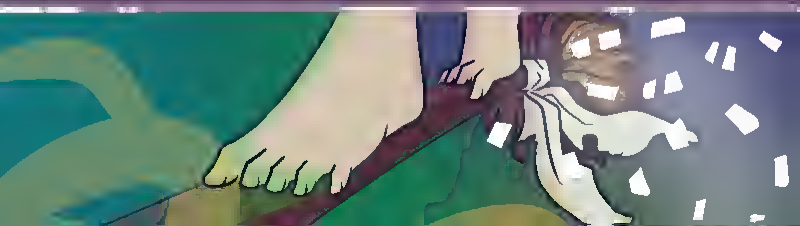
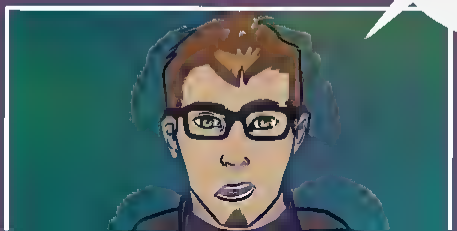
Episode 18

Aight, Kieran.



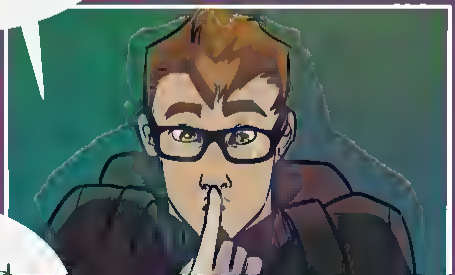
Try not to get in trouble and/or killed while I'm gone.

But Shay, we don't have time for this.



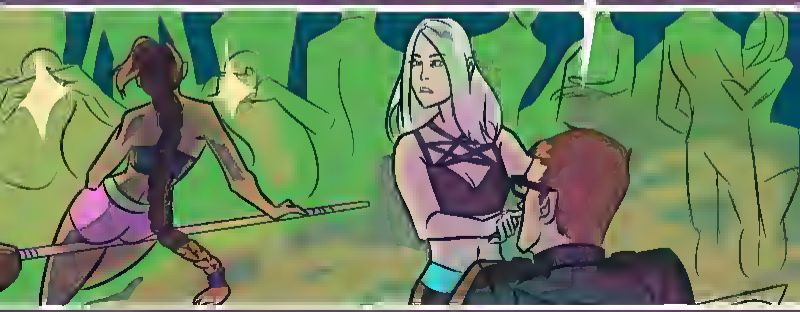
The mission...

Shhhhhh,
Mummy's gonna
take care of
this.



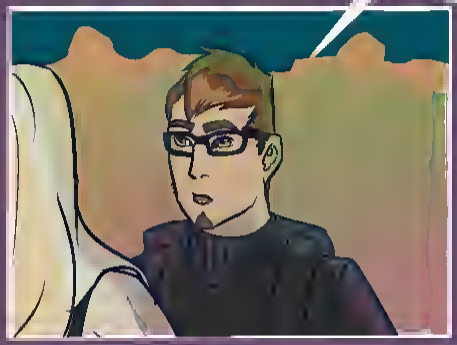
So be a good boy while I'm gone.

Who is that girl anyway, and why does she wanna race you so bad?



Bella? She's an ex.
I'm guessing she took
my sudden disappearance
a bit...personally.

You keep talking about disappearing and lying low...?



Before, when I lived in the Coven. I was...repressed

Every aspect of my life was controlled and I needed an outlet.

So one night...I ran away.

It was easy, really. We'd just learnt about portaling that day.

No one suspected anything.

It was my first time in the human world.

And it was apparent that I didn't fit in.

I ran from

the lights and the people

Until I stumbled into the warehouse district.

I was about to give up and portal home in shame

When I heard them

Witches

There were so many...

And I didn't recognize any of them.

And more importantly, they didn't recognize me.

I soon got into racing and it turned out to be the perfect outlet for my anger and frustration

So every full moon, when the races were held, I'd sneak out and enter the fray of non-Coven witches...

...and dominate them all.

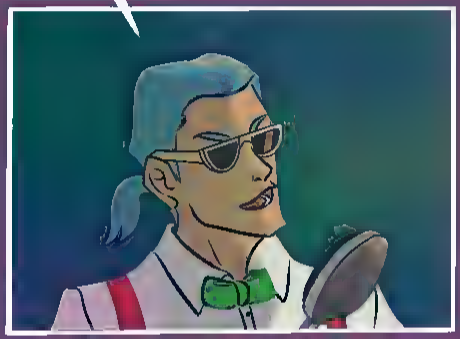
...as for my "disappearance," you don't need to know about that right now -
BUT -
Hey babe! You ready to lose?!

GET ON YOUR BROOM.

LADIES AND GENTLEMEN, WITCHES AND WARLOCKS -

IT'S TIME FOR THE EVENT OF THE CENTURY!

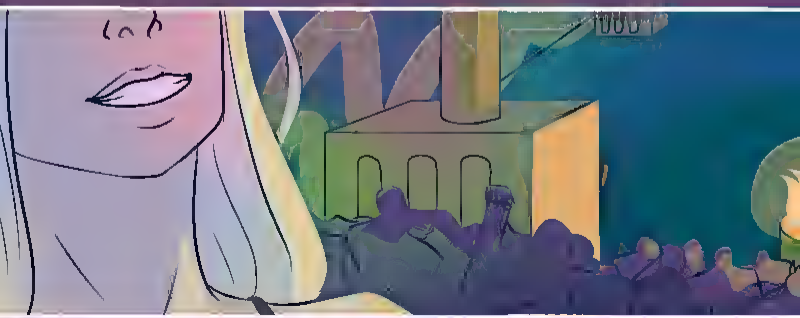
OLD BLOOD VERSUS NEW ROYALTY.

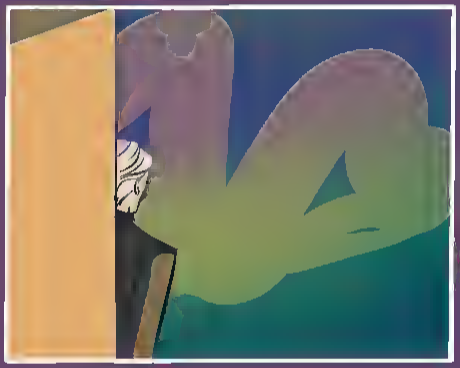


THE ULTIMATE BATTLE FOR THE CROWN!

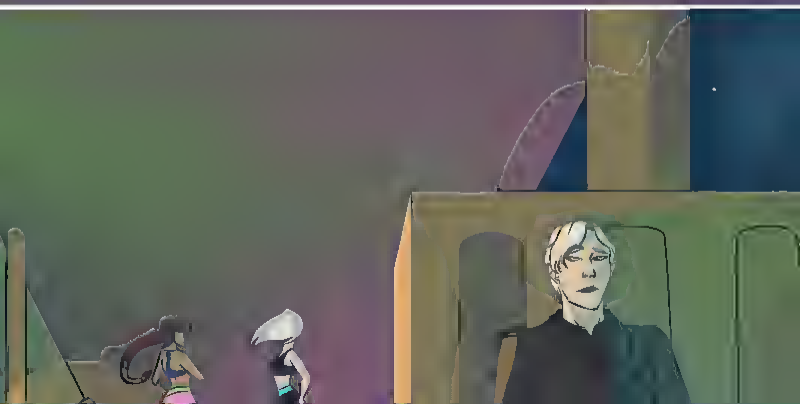
THE GALACTIC WHIP

THE SHATTERED SPIRIT!





...I've...



...finally found you...
